

**OVERSIKT  
OSLO FILATELIST-  
KLUBB  
BIBLIOTEK**

## FORORD

I denne utgaven er landbetegnelsen for **England** endret til **Storbritannia**, dette for å være mer i overenstemmelse med norsk navneform. Oversikten er oppført etter Spania og etterfulgt av oversikten for **British Commonwealth**. De 6 australske stater tatt ut fra **Australia** og satt opp med egne headinger **New South Wales, Victoria, Queensland, Western Australia, South Australia** i oversiktens del **Oceania**, dette for å lette oversikten for disse områdene.

Katalogdelen (Gruppe 15) inneholder for det meste kun siste utgave av de forskjellige katalogene, men vi har også eldre utgaver av de fleste katalogene. Skulle vi listet alle, ville det tatt flerfoldige sider. Landkataloger er oppført under de respektive land.

Tidsskrift delen (Gruppe 17) viser hvilke årganger som er bundet inn av de forskjellige tidsskrift. Vær oppmerksom på at lista kun inneholder de utgavene som er innbundet, men vi har også løse nummer fra de andre årgangene.

Vi tar alltid i mot det du har av dubletter eller rydder ut av hyllene for å få plass til annen litteratur, overlat resirkuleringsjobben til oss. Bor du i Oslo-området kan vi hente.
